### **4 FAH-1 H-251 EXPLANATION**

*(TL:FMH-1; 4-15-96)*

Deposit accounts are for recording the receipt and disposition of funds by the Government in which its responsibility is limited to determining the proper account to which the funds should be transferred or, acting only as a fiscal agent or banker, paying out the funds in accordance with the desires of the depositors from whom such funds are received. Usually, the symbols are composed of seven characters, the first two being the digits showing the department or agency prefix, the third being "X" indicating a no-fiscal-year status, with the last four digits indicating the account designation within the range of 6000 to 6999, with the exception of the Budget Clearing Account (Suspense). Frequently, decimal suffixes or sub-numbers are affixed to identify depositors or to furnish additional administrative divisions.
